

Zanele Mbeki

Mrs Mbeki is a founder member of all Women's Development Business (WDB) entities and is currently an Executive Chairman of the WDB Trust and a director of WDB Investment Holdings. She is a qualified social worker and is deeply committed to Poverty Eradication and therefore the social upliftment and economic empowerment of women in South Africa. She plays an active role as trustee and director on a number of national and international boards which promote social and economic development targeting the poor.
